The Students of Saraswati Shishu Vidya Mandir, Barganda, Giridih , are taught to always "Look Up" to God for help, strength and reassurance in toils, trails, temptation and troubles. "Lift up" means that every SSVMitess, be it students or teachers, have to set for themselves high standards, goals and aspirants in every sphere of life. The School is a place where children are encouraged to say *"I see it. I get it. I can do it."*

Our Philosophy of education has always been meeting the needs of the individual child. Children acquire skills and knowledge easily if we can make the surrounding stimulation and purposeful. In the 21'st century, the Digital Revolution affects us all. Quite simply, it is changing everything: a brilliant barrage of information, entertainment, companionship and education is speedily available. In such a surrounding when work and effort is valued, the child's self-esteem is heightened, and from these results self-motivation. We try to understand and work with every child, and we firmly believe that it is our responsibility to enable the child in our care to develop as a whole.

The school, where the quality matters the most we have tried to reflect the kaleidoscope of learning, adventures, creativities and positive approach of our young minds through writing and drawings. I hope this effort of our minds will serve as a stepping stone towards the many mile stones we have to cover in pursuit of excellence.
